===== PRODUCT DESCRIPTION ===== An advanced professional industry based software that enables you to stamp content into any single PDF document. It's even able to add almost all types of images and texts. These processes can be realized in all of pages with precise control over the size and position, the stamped text and/or images become a permanent part of each PDF document (supports batch processing). This tool lets you stamp watermarks such as 'Confidential' on pages that include sensitive information or 'Draft' on a preliminary PDF document to be distributed for review. You can stamp PDF document names, revision numbers, Date/Time stamps, contact information, or any text that you need added to the file. With the image support you can stamp company logos, author signatures, products, charts or any artwork in many image formats. A Scale feature is provided with image stamping to easily increase or decrease the size of the stamped image, leaving the original image size intact. Support image formats: JPG/BMP/ICO/EMF/WMF.
