

# Wp Maps Wordpress Plugin With Rights

[DOWNLOAD HERE](#)

How Much Would Your Offline Clients Pay To Have Their Own Google Maps On Their Website? Offline and Local Businesses are clueless when it comes to making their blogs look flaming hot.. grabbing and directing customers and visitors to their stores. A google map properly configured can easily be placed anywhere in the blog or salespage of your clients website.. ..Think that might get them fired up! Heres the best part. You have full PLR rights to WPMaps and you can create your own branded custom version to sell to others and/or monetize through the branded advertising. WP Maps Google Maps For WordPress Full Brandable PLR I just picked my copy up and will set it up in the next couple of days.. rarely do I get excited on how easy and how you might capitalize on the potential of a product.
