"Split Test Genius"... Easy "Split Test Genius" is a SUPER simple split testing software that takes less than 2 minutes to setup. Here's what you do: 1. Make 3 different versions of your sales page. For example, each one could have a different headline. 2. Make sure each sales page links to a different "Purchase Page". This way you'll know which conversions come from which sales page. This is among the most used tools we have. You'll find a million different reasons why you need to start using it! Boy, it's SUPER easy to setup. Frankly this is a cool solution you either want or need, so I won't waste your time with a lot professionally written psychobabble. I'll cut right to the chase. "Split Test Genius" script is a scalable technology value that speaks for itself, and there's no doubt in my mind that you clearly know that. Here's the price... Currently it's Only \$1.97 Now that the PRICE issue is out of the way, I Invite You to at least look over this Quality, "Offer" before you go. It will only take a minute to skim down this page and if you don't see \$1.97 in value then by all means close this page and have a great day. Thanks for taking a look. I truly appreciate your visit! Still with me?... Cool. Considering what this script does for you, a \$1.97 is a ROCK BOTTOM price. I seriously considered charging quite a bit more... But during these times I know that not everyone reading this has money to burn, so I've priced it so anyone who wants it, can afford it... You bet, the price is already ridiculously low - but I'm going to make this even more irresistible for you. I will make this caveman simple. If you purchase my software, and don't find that it meets or exceeds your expectation. You can have every penny you paid back within 60 days. That means you get a full 2 months to kick it around - and if you're not thrilled with it - you don't have to pay a thing. Now, risk-free does not get any better! Click The Button above Now To order... Only \$1.97 Again Here's how I roll on your concern about risk. For any reason (that's any reason at all) you decide this product isn't for you in the next 60 days, simply contact me and let me know. I'll refund every penny of your purchase promptly and without question. I have your back, you have absolutely nothing to risk! Go ahead "Buy Now", and download the "Split Test Genius" script for a tiny one-time payment of just \$1.97 Get Immediate Access To "Squeeze Box Floater" Thanks for reading! Leonco :) PS: Take the software for a quick spin on me... And if you don't immediately feel like you've recieved at least ten times your

money's worth, then send me a message thru [profitsdesk.com/contact.php?sponsor=leonco](http://profitsdesk.com/contact.php?sponsor=leonco) and I'll promptly refund your purchase. Even better, take a full 60 days to use and benefit from this. Then like I said earlier if for any reason you're still unsatisfied, let me know and I'll still return every penny. P.P.S. Asentee resellers sell digitals for less, and less is less of everything. Connecting with them is less, so customer service is less, getting support for issues with the product file or download is much less. They don't charge much of anything for what they are trying sell so why should they devote time to servicing what they don't profit on? I on the hand am not an "ABSENTEE" seller, I am just a click away (Mon - Sat) for support and product issues should they ever arise. I answer all email promptly. Why? Because I genuinely want to do business you! ;-)...Test me! Use the "CONTACT SELLER" link near the top of this page just under the ebox! Use the contact form and for "Subject"= Just Testing! I will respond with a FREE (no charge) small software treat and thank YOU for testing my credibility!
