The Pros Blog With WordPress For A Reason. You Can Take An Easy-To-Use, Powerful Blogging Tool And Make It Even More Valuable And Explosive Without Spending A Single Dime! You Can Learn How To Make The Best Blogging Platform Even More Valuable By Using 118 Freely Available Plug-Ins! Dear Friend, Let's get the obvious out of the way up front. Blogging is an amazing Internet marketing business tool. Search engines love blogs, they are easy to update with fresh content, they allow you tap into a traffic stream static sites often miss and they are insanely flexible. You know that. I'm willing to bet that you're already using blogs to fuel your business. If you aren't, you are probably planning on adding blogging to your IM repertoire as soon as possible. The laundry list of blogging's notable advantages makes it a can't-miss proposition. Making matters even sweeter is the fact that the best possible blogging platform is absolutely free. I'm talking about Wordpress. It's the preferred blogging system of professionals from all corners of the Internet marketing world. Whether your blogging for AdSense earnings, to sell affiliate products, or as part of any other IM endeavor, WordPress is the perfect system. It's easy to use. It's so easy that saying a child could use it is an understatement. Anyone can have WordPress in place and can start creating a well-designed blog in a matter of minutes. WordPress is the king of blogging platforms and that's not going to change any time soon. There are, however, a few challenges that go along with using Wordpress. Much of the issue stems from the application's amazing popularity. Everyone is blogging with WordPress and that can make it hard to stand out from the crowd. If you spend any time searching the web, you probably see multiple plain, forgettable WordPress blogs every single day. If you don't know how to customize your blog, you can create a real yawner. And although WordPress is easy to use and flexible, the basic installation has some limitations. You can literally do anything with a WordPress blog, but you can't do it all with the tools that come with the basic installation. Those who don't move beyond the bare bones basics of WordPress are limited. "Fortunately, you can overcome those challenges. With the right information, you can get the more out of Wordpress. You can build and maintain unique, powerful, custom blogs that deliver your message perfectly" That fact led to the creation of "The 118 Most Useful Plugins for Your WordPress Blog. You can make sure your

blog doesn't get lost in the constantly growing crowd and you can design it to meet your exact needs and specifications with the plugins outlined in this special report. "The 118 Most Useful Plugins for Your WordPress Blog" is a no-nonsense breakdown of over one hundred different ways to increase the power and effectiveness of your blog using absolutely free additions to the already-amazing platform. It's an easy-to-read, straightforward guide to the best plugins out there. No fluff. No editorializing. Just the hardcore facts that will give you the upper hand as you leverage WordPress to produce results.

"The 118 Most Useful Plugins for Your WordPress Blog" is a winner. With it, you can:

- * Distinguish your blog and stand out from the crowd of similar, "basic" WordPress blogs. Why trot out a tired design and structure when you can do something special and memorable? How much better could your blog perform if it wasn't just another face in the crowd?
- * Power your blog with tools and tricks that can accelerate your business. You aren't limited to the basics. A quick review of this guide will give you access to an amazing inventory of plugins that will allow you to accomplish virtually anything with your blog.
- * Improve your plan and its implementation. Not only will this detailed plugin examination give you a way to find the things you know you need; it will also give you some amazing ideas that may have escaped your attention. It's almost impossible to look over all the options without finding at least a few more things you could do to make your blog even more effective. Simply put, You could spend months digging around the web in search of WordPress plugins. If you kept your nose to the grindstone long enough, you could probably find many of these yourself. "The 118 Most Useful Plugins for Your WordPress Blog" is the smart, simple shortcut to results designed for smart WordPress users who'd rather increase their profits instead of their research commitment. Why Do You Need Plugins? You could do it all yourself. You could try to uncover all of these great plugins on your own. You could even spend your hours trying to work through the CSS, HTML and PHP you'd need to manipulate in order to put some of these awesome ideas into practice. Most wise marketers would agree that the shortcut to information makes a lot more sense! That's why "The 118 Most Useful Plugins for Your WordPress Blog" is such a good idea. It lets you avoid the time and effort required to get these awesome tools through other means. You're either using WordPress already or you're going to be using it soon. Why not approach it efficiently and with maximum effectiveness? This great report will give you the tools you need to create the perfect WordPress blog for all of your needs!

"Set Yourself Apart" Making your Blog the showcase of your online presence is easy, contrary to popular belief, is not hard at all. Distinguishing your blog and standing out from the other,

WordPress blogging is something that you can do with ease. Why not throw away the boring basic design and structure and do something special and classically YOU? Don't you think it is your time to shine? Being your best is easy! You can do it! The simplest tasks can be made difficult if you do not know where to get the tools, right? It's much like building. If you know how to hammer a nail, building a birdhouse kit would be easy. But if you have no hammer, what should be simple becomes an issue and a time waster. Just think how long it takes to find a hammer in the junk drawer or garage. It would be great if it was at your finger tips or a map for you to find it! If given an easy way getting all your tools in one place, and realizing how much time that saves, you should jump at the chance! Now, think of the time and energy you can save while making your online presence a real attention grabber! Or you can search far and wide to find the information you need, and often, you will have to encounter quite a number of failures to learn some needed lessons. You won't have to go through hours upon hours of searching anymore. You won't have to surf through broken or unfinished plugins. You won't have to lose precious time and energy just to get your blog to work for you. You can stop working for your blog and have it start working for you!

An incredible resource, Clement's report saves you valuable time dredging the Internet for that perfect plugin to solve your WordPress needs - I recommend it heartily! -David Pankhurst, ActiveBlogging ActiveBlogging.com shadow Clement's ebook, "The 118 Most Useful Plugins For Your Wordpress Blog", is a great timesaver for me. I use WordPress for a lot of things, as well as for my clients. There are a lot of plugins Clement mentions that I didn't even know existed. What a great resource! I'm excited about it, and so were my clients when I showed them the additional plugins I discovered in this ebook. Way to go, Clement! -Dave Gammage TheHBL.com shadow I am very impressed not only by the quality of your report but with your very professional manner of handling the

purchase. The report has helped me tremendously as this is something I have been looking for and it certainly saved me much time. As this is only your first effort, I would not be surprised if you became a top IMer. -Barbara Gathany Very cool and informative report.....neatly puts everything in one place.

Thanks.....can't beat that price! -Ed writelikeamaniac shadow I just want to comment on Clement's great service. I must have messed up when ordering because I paid for the Customization Kit but only got the download for the report itself. Clement emailed me, then made special arrangements for me to download it. And this was for an inexpensive report. Not exactly a profitable use of his time, unless you look at the need to provide good customer service. I'm happily impressed. The report itself is great and is well worth the price. Add the great Warriors standing behind it, and the fact that John Delavera is willing to put his name on it. You have the closest thing to a no-brainer that you're ever going to get this eBook. If you use WordPress, invest a little and get this report!
