If you are new to web hosting or are confused by all the technical jargon that web hosting companies spew out, then this informative e-manual will help you understand all the confusing factors around choosing the right web host for you. The eBook also explains how to accept credit cards online, how to register a domain name, plus much more! Free Bonus #2: Simple Guide To FTP by Mikey J. This helpful e-manual is an excellent guide to using an FTP programme and provides lots of hints, tips, step-by-step instructions and screenshots to help you upload files to your web server. An excellent resource for those of you who are new to uploading website scripts. Free Bonus #3: The UK Trade And Wholesale Bible. Looking for online wholesalers? Look no further. This eBook lists 100s of UK wholesale websites, all neatly organized in categories. It also lists UK auction houses and includes helpful business resources. Web Hosting Requirements: To operate this website, you will need Linux/Unix web hosting with PHP 4 or 5. It is RECOMMENDED that your web hosting has a CPanel Control Panel with PHPMyAdmin and My SQL database. It is NOT guaranteed to work properly on web hosting that DOESN'T have CPanel. To install this website, you should have a basic knowledge of file uploading. If you haven't got a domain name or web hosting, there are recommended web hosting and domain companies in the PDF installation manual that comes with this website script. We like to make it easy for you! :) This product comes with FREE MASTER RESELL RIGHTS! You are allowed to sell copies of this product to your customers and keep ALL the money you make from it! You will also receive a readymade HTML sales page to use on eBay or on your website to resell this product! With Master Resell Rights, you can ALSO give resell rights to your buyers!
