There's no doubt, its probably the most difficult thing for any site owner to master. Frankly, affiliate marketing is the only thing about site-building you can't fake either the clicks are there, or they're not. And when they're not the checks are small. But... there is a serious problem that affects affiliate marketers The problem arises when instead of simply clicking on your affiliate link, a customer copies the link into the Address field at the top of their browser and modifies the link before using it. This modification comes in two forms, referred to as chopped links and stolen commissions. Now, there is a quick and easy solution to this problem... the Easy Link Cloaker. With the solution of Easy Link Cloaker, Instead of sending customers directly to your affiliate link, you send them to a special cloaked web page on your own web site. Easy Link Cloaker could stop you losing a significant proportion of your commissions. A simple and easy way to protect your affiliate links Stops you from losing your hard earned affiliate commission. Just click 'Generate Code' and Easy Link Cloaker does the rest for you. Easy Link Cloaker puts more money in your bank account and NOT somebody else's! Makes sure you get credit for your affiliate referrals.
