

Jokes Service Script

[DOWNLOAD HERE](#)

Create a Jokes Service Website!! The jokes site is an appealing database driven resource for people to post, view, rate and review jokes from all over the world. This site features a powerful PHP/MySQL programmed backend to deliver 50,000 records for members and recipes. This site is a great, easy revenue and viral traffic generator that almost runs itself. How it works With the joke website you offer a free exchange of jokes for users who are required to register to use the site. Advertisers benefit from having a vast database of users viewing their ads delivered in two banner sizes, plus text advertising in an opt-in site newsletter! SUPER BONUS: Order now and receive MASTER Resell Rights so you can sell Jokes Service Script and keep 100 \$\$\$ of the profits! You'll even get a copy of this sales page which you can easily customize!
