The first in the Ready Willing Able series As a writer, Lise Barton is used to coming up with wild scenarios for her characters, but the one thats playing out for her right now is no fiction its frighteningly real. Someone is stalking her, someone who knows where she lives and what she does. Someone who has even threatened her family her brother, his wife, and their precious baby girl. Lise isnt about to let someone hurt them, so she packs up and leaves Texas for the anonymity of Seattle. And then the threats start again Joshua Watts mission is simple: Go to Seattle and bring Lise home for Thanksgiving or hell never hear the end of it from his sister. Its not like Aunt Lise to stay away from their adorable niece, and Joshuas pretty sure hes the reason for it. Hes spent months trying to forget the taste of her lips, the feel of her soft hair in his fingers. Yeah, okay, he wants her badly but family comes first. But the minute he sees the fear in Lises eyes, his survival instincts kick in. The former Army Ranger isnt about to let some creep terrorize an innocent woman on his watch. Hes going to do what it takes to protect Lise and try to keep his personal feelings out of it. Because if theres one thing hes learned, its that sex and work dont mix. Not ever. So far
