Look What Others Have Said About The Subliminal Black Book! I have purchased other books on the market which stated that they could teach me how to make a subliminal message, But the Subliminal Black Book is the most advanced information on the subliminal subject! - The full version recording software contained in the ebook was well worth the cost of the ebook! - I don't know how to begin thanking you..... Thanks, Ed Denny - NC Dear Sir/Madam, In the past, I purchased other subliminal ebooks on the market and paid anywhere from \$19.95 to \$79 for each ebook. I was quickly disappointed after spending that kind of money to find out that I had to spend even more money on additional software in order to actually make a subliminal message! - When I saw your Subliminal Black Book, I thought, Why not give it a try? - If I didn't like it, I could always sell it as it contained full resale rights as stated in your add. I purchased this ebook and thought "wow" this is ebook is awesome - It is easy and finally I found something that is complete and works! - Thank you & Best Wishes!!! Danny Roark NC Hello! - I didn't really purchase the ebook to learn how to make subliminal mp3s or anything. I ordered it because of the Subliminal Toolbar. I had gained

weight during the winter months and wanted to take it off by summer. I was skeptical at first but now I am a believer! - The Subliminal Toolbar was great! Ive now lost a total of 23 lbs and lack 3 getting down to my idea weight! Thank you so much!
