Understand how the Power of Persuasion Can Bring You Every Happiness in Life! From:

Conversational-Hypnosis Date: Friday, January 15, 2010 How many times have you found yourself in a situation that called for mind control or the power of persuasion? Think about it. How great would it be to have the power to completely influence and change other peoples thoughts? Others have mastered this life changing skill. Of course, their reasons are always above reproach - bank robbers, international spies, terrorists, hardened criminals. Thankfully these people havent ruined obtaining this extraordinary ability for the rest of us. It is well within your grasp to dramatically and positively alter the course of your life by learning hypnosis through seemingly casual conversation. Effect the Change You Desire Most! The reason you came to this site was because you were looking for the answer to a question you couldnt quite bring yourself to ask. Did it sound something like this - How can I bring about the change I need, I deserve? Its simple. Everything you have ever wanted out of life will be yours once you learn the secret to influencing those standing in your way. Soon you will: Amass untold fame and fortune Earn the respect of colleagues and associates Be able to woo that special someone presently unattainable Have it all! This Seems Impossible. Why Should I Believe You? This is always a tough question to answer and one I get all of the time. There are many hacks and crooks on the internet looking to make a quick buck.

Skepticism on your part is understandable. However, it is also blocking you. To be able to truly benefit from the amazing secrets I am desperate to share with you, you have to free your mind of all negative energy. It is limiting your full potential. Once you free your mind, the world is at your fingertips. Thats what happened to me. I used to be just like you. I was stuck, stuck in a job where I was overworked and underappreciated. I couldnt afford bills and mortgage payments. I had no romantic prospects. I was alone; scared my life would never get any better. Then a friend of mine in the sales industry clued me into the secrets of mind control. He even gave me a few sales leads, fully confident I would succeed. With no experience, I landed each new account just by applying the secrets he shared. Months later, I was running my own multi-million dollar sales agency! And now that I have imparted the secrets into the

creation of the Conversational Hypnosis Program, my story can be your story. Why Are You Sharing This With The World? Thats another question I often get asked. The fact is I dont have to do this. I have achieved great success and wealth through Conversational Hypnosis. I could easily go back to traveling the world, holding seminars and charging outlandish fees that only the wealthiest among us could afford. Heres the price list of a recent convention in which I was the featured speaker: \$600 an hour for a personal one on one session \$2000 per person ticket to convention I cant lie. Being able to influence others to pay said costs is wonderful. It has changed my life and taken me places I never could have dreamed of. But is that fair to you? I have never forgotten where I came from and what a gift learning the power of persuasive mind control has been. Dont you believe youre entitled to: A great promotion A luxury vacation A stress free, financially secure life But Youre Not a Trained Hypnotist, Are You? Not only am I trained and certified in the psychological science of mind manipulation, my method has laid the foundation from which the careers of the some of the worlds leading hypnotists were started. You dont have to be born with superpowers to influence peoples thoughts. I certainly wasnt. Conversational Hypnosis will show you how to: Trigger manipulations in the brain through speech Convey your desires in any language Make others want to realize your life goals Are You Ready to Influence Your Destiny?
