It's A Fact . . . You can write the most compelling sales letter on the Internet, but if your sales page doesn't look professional or grab your viewers attention, they won't stick around. Most consumers make a yes or no decision about your business within seconds of seeing your web site's design.. That decision is based almost exclusively on the visual impact of your sales page graphics and layout. Until now you had 2 choices, hire a graphics designer or invest in expensive graphics programs and graphics to design your own sales letter graphics. That's why we have put together this great package of predesigned sales page graphics in one package . . . Sales Letter Graphics Pack. With the new Sales Letter Graphics Pack, now you can quickly and easily build professional looking sales letters that get your visitors attention. Build pages just like the one you are reading now... all of the graphics used on this page are from the Sales Letter Graphics Pack. Sales Letter Graphic Pack Features: Easy to edit. Just add your text to the graphics using almost any graphics editor or the free graphics editor that we will give you the link to. Large collection of 130+ Professionally designed graphics. Collection includes header graphics, book graphics, box graphics, order buttons and more. (Click the links above to view thumbnails of the graphics included in the package) Affordable! Only 3.95 for the entire collection. Order Now and receive the following valuable bonuses: Bonus 1: 800 Profit Pulling Words. A collection of the best words to use in your sales letters. Perfect for when you get writers block. You will use this list over and over again.
