Introducing...eZine Machine V.1 .. Brand New Software For Easy HTML Newsletter Generation!

Newsletters are powerful marketing vehicles that can build your customer base, sustain contact with clients, promote your products, AND establish your online credibility. The newsletter is one of the most effective promotional tools in your e-marketing mix and it costs little - or nothing - to implement. Average webmasters who may not know how to write eye-popping HTML newsletters miss out on the many advantages that more advanced webmasters experience simply because they do not have the technical knowledge necessary to do otherwise. This simply just isnt fair for the little guy and I have set out to change it! I mean, Why let all of the big guns have all of the fun? By releasing eZine Machine V.1, Im offering you a way to write eye-popping HTML newsletter issues on the fly-- without HTML knowledge!! Simply choose which template youd like to use, enter your personal information and let the software do the rest! The top 5 reasons for offering an online HTML newsletter.... The more words in your eMails, the greater the chance that the spam filters will send it straight to the trash can - bad news for you! People are tired of boring black and white eMails with tons of text! They simply just dont read them anymore! HTML newsletters are archived and indexed on search engines because they are actually web pages on your server. They will in fact INCREASE your web site traffic. HTML newsletters give you a way to present your material in a creative, attractive, and fun way to your subscribers. Its not a secret that eMail is being filtered by the billions today. With this new software, any webmaster can create, print, and display their own attractive, well-designed, html newsletters in a flash! eZine Machine V.1 FEATURES... Reset, Preview, Copy Code Buttons - You can reset your issue information, preview your generated issue, and copy the .html code to your computer using the easy to use button interface. No HTML Knowledge Needed- eZine Machine V.1 will take you by the hand and will ask you each necessary question one step at a time. At the end, you can preview and copy the code automatically. Easy as pie. On Board, Ready-Made Newsletter Templates- Simply pick a template that suits you and add your personal issue information. Several templates with professional quality graphics already added! Professional HTML Newsletter Generation- You can create an unlimited number of HTML newsletter issues quickly and

easily with this new software. eZine Machine V.1 will provide you with one custom newsletter issue, according to your specifications! Logo Browse, Preview, Insert Function - Ezine Machine V.1 offer allows logo or other graphic importing directly in to each newsletter issue that you generate! Youll be able to search for the logo on your computer system, preview it , and add it to your newsletter issue!

Customization Features - Ezine Machine V.1 will construct each newsletter issue with the information that you provide including: Header image url, top contents, right contents, publisher name, publisher website url, publication date, issue number, publisher comments, article title, author name, resource box, newsletter sponsors, recommended web site urls, copyright information, and support information! SOME MORE INCREDIBLE BENEFITS OF OWNING THIS PACKAGE TODAY.... Gain more search engine listings by offering online newsletters that command attention. Save time and money.
