You know you should be exercising. You understand that a good health plan will improve the quality of your life immeasurably. You know that your current lifestyle needs a tune-up. You want to do the right thing. Finally...You Can Stop Wading Through Mountains Of Information And Start Improving Your Life NOW! There's No Need To Pour Through Thousands Of Options. You Don't Need To Keep Searching. You Have Found The Information You Need To Live A Healthier, Longer Life...And You Can Get Started Immediately! We all know that exercise is important. Only the most thick-headed person would fail to acknowledge the indisputable evidence about the power and potential of a smart exercise program. Since you're reading this...you must have the desire to change your life for the better. It also shows that you're looking for some way of getting into better shape and experiencing all of the benefits of a healthier lifestyle. You probably feel a little overwhelmed by all of the choices, ideas, opinions and hype surrounding the exercise industry. The infomercials. The videos. The books. The training plans. It's all TOO MUCH! I've been there. My story probably isn't much different than your own. I knew that it was time to start a regular exercise plan. I'd seen friends and family members who embarked on healthier lifestyles and was incredibly impressed with how they looked and felt. I envied their newfound energy while worrying about my own situation. I decided it was high time to get started, but when I started researching a workable plan, I found myself lost in a sea of information and ideas. Some seemed reasonable but were contradicted by other sources! Some were obviously out of my league. Every time I found something that looked good, I'd find something else that seemed even better, made me doubt my original choice, or confused me even more. So, let's take a deep breath and get ready to turn things around RIGHT NOW. Exercise Fitness and You! The Complete Exercise Primer audio book is a brand-new audio guide designed to cut through all of the nonsense. It's a smart, top-to-bottom guide that will get you off to a great start with your exercise plan. It's designed with everyone's needs in mind, featuring information, techniques and exercises that are established winners. It doesn't sell a miracle system or advocate a controversial new angle to get your attention. Exercise Fitness and You! The Complete Exercise Primer audio book is the real deal. Look at some of the no-nonsense topics covered in Exercise Fitness and You!

The Complete Exercise Primer audio book: * Establishing appropriate weight loss and health goals. * Understanding the five basic stages of exercise and why they are so important. * Stretching.
