If you've ever tried to dig through the piles of instructions that Google throws at you, clicking on link after link, finding one page that tells you one thing and then another that tells you something totally different, then you know 'exactly' why I've decided to put this report together for you. If you've ever found that little nugget that you were looking for only to discover that it was so buried that it was never to be found again, then you have come to the right place. So how much will it set you back for "4 Quick & Easy Steps to Tracking Your Web Results"? Just $12. That's right. For the cost of a sub sandwich you can cut lots of hours or maybe even days off of the learning curve? Eliminate the excuses and take action now. Yes! That's all this fantastic, step-by-step guide is gonna cost you ...$12. In just 1 hour from now, you could be all set up to start tracking: Where are your visitors coming from? - Advertising links? - Organic Search? - Referrals? - Affiliates? Are some Geographical areas better than others? What are my conversion rates of visitors to sales or opt-ins? What segments of the population are more interested in buying or who is just looking? How long do visitors stick around on my site? What pages and content are they most interested in? Does my sales or opt-in 'funnel' flow smoothly? What page do visitors tend to drop out or leave? How many visitors are 'Loyal' followers. How many times do they come back over a period of time? What type of internet connection and browser does each visitor

have? Can I have more video? Which of my advertising campaigns brings in the most visitors? Which articles brought in the most traffic and from which article directory? The list could go on and on... Limited only by your imagination. And, if that's not enough -- there's also absolutely no risk! Master Resell Rights Included. Tags: seo
