

# 10 Steps To Hiring And Keeping The Right Employee,

[DOWNLOAD HERE](#)

Hiring the right person for the job at hand is important to the smooth surgical procedure of your business and to the morale of the other employees. There is nothing worse for you, your company, or the new person that is organism hired than to find out that fit of person and personality to the job is just not going to work. The new hire will leave under less than optimum conditions, current employees will begin to get ship or you will be left with the painful job of firing the person you just hired.
