

The Super Sign Up System

[DOWNLOAD HERE](#)

The Super Sign Up System was designed for the beginner in mind. Even if you've never set up your own squeeze page or built your list this step-by-step guide will tell you what to do! It doesn't get any easier! Revealed information.. How to set up digital delivery - when someone buys your one-time offer, you will want to deliver the download page to them. This guide will show you how to automatically send an email out to them with and without scripts! How to set up your template system - there is a logical process in setting up this system. Get 1 component out of place and it can be a headache putting things together. Get it right from the start! The raw PayPal button code - you will learn which parts of the PayPal code you need to edit. This will set the pricing, item name, the download location and more. Most importantly it will make sure YOU get paid! How to create your web capture form - every single little step needed to create your first web capture form is illustrated for you. If you're a point-and-click, do this and do that kind of person, you won't miss a thing! and much more.. Tags: im, plr
