

# Turnkey Live Help Support Desk Ticket System Script

[DOWNLOAD HERE](#)

This is a nice Addon Code Php Script which allows you to offer Live Help Support by receiving and replying to support tickets, Comes with a built in Secured Admin Area to quickly Manage, Reply-To, Close and Archive Support Tickets. Visitors can submit Support Tickets and then they get a Ticket Number so they can view the status of the ticket at anytime. Visitors will also be emailed once you the admin responds to their support ticket. This Support Help Desk Script comes with commercial Resale Rights. you can use this Script on unlimited domain names without linking to any another website and if you know how you can also re-design, re-develop and build onto the script and even re-brand and resell it. This Turnkey Support Help Desk Script comes with No Restriction you can do what ever you want with it. Note: This is a PHP MySql Script and does require Basic Script Installation.
