

Under Maintenance Terms And Agreements Manager Script

[DOWNLOAD HERE](#)

When your website is being worked on you could show an under maintenance message on every page with little to no effort just like the big wigs websites, Like the under maintenance messages that Youtube shows when there site is under-maintenance for example! Manage your under maintenance messages and update yours terms and agreements with just a few clicks. Easy under maintenance manager php scripts comes with full master resale rights and can be resold for an online income. Php Script has been tested and does work on Mysql 4.x.x or higher, does require simple script installation. Once you install the script you can then login to the adminpanel area and be able to change your login information and get the code to paste on your website so that you can begin to use the script with ease.
