Twitter Live Streams Website Turnkey Twitter Traffic Machine Features: Easy-to-edit. You can completely personalize the sidebar through 1 single configuration file. Offer 3(!) live Twitter streams on one page You can set 3 different search keywords which will each show a Twitter live stream when clicked. This allows you to specify/extend your site niche and attract more visitors. Integrated 'Follow Me On Twitter' link and 'Tweet Now' button. These built-in links allow you to build your list of followers and keep the buzz about your site going on Twitter. You can use your own images by simply uploading them to the images-folder. * Complete setup guide included Although this site is very easy to set up, I've included a PDF document that'll show you exactly how to edit the default settings and set up the site on your server. Use your own design Simply upload your own header and footer to the images-folder, and change the background color to give your site a unique look. Multiple domain license You can set up this turnkey website on as many of your own domains as you want. (You can not distribute it; if you want to recommend it to your visitors, be sure to sign up for our affiliate program) Twitter Live Streams Website Multiple built in streams of income: Adsense ads will earn you money every time a visitor click on it. Adsense is still considered as the most common way of site advertising and can be very profitable. (if you don't have Adsense, you can replace them with any form of advertising you want) Amazon widgets show keyword-related products from their Amazon store and pay you per referred sale. 125x125 banners on the site, promoting keyword-related affiliate programs, powered by PayPal, Clickbank, PayDotCom or any other program. (optional) You'll earn money by referring sales. Through the viral Twitter form on the page, you'll be growing your list of Twitter followers on autopilot. You can use your Twitter account to send out promo tweets and create an extra income stream. Buy it, grow it, sell it Niche websites are popular on the website-market. So are Twitter websites. Simply take time to grow a stream of traffic to your website, and you'll be able to multiply your investment simply by selling it on sites like Flippa or eBay.
