The Master Key System was originally released as a 24 weeks course. For 24 weeks, his students would receive 1 lesson per week. Upon completing the 24 lessons, they would obtain all the 24 lessons in a complete book, and the book is now known as The Master Key System. It was rumoured that Bill Gates drop out from Harvard under the influence of this book. It was also a Silicon Valley's secret that almost every entrepreneur who made a fortune in recent years did so by studying The Master Key System!

Almost every millionaire and billionaire in the Valley read The Master Key System by Charles F. Haanel.
