Do you know the 57 Most Profitable Products on Clickbank? (prepare to be shocked) Clickbanks Dirty Little Secret Did you know that there are only a few dozen Clickbank products that are worth promoting? Its absolutely true. In fact, out of the 12,000+ digital products featured in the Clickbank marketplace, 99 OF THESE PRODUCTS WILL NEVER MAKE YOU A DIME! Sometimes its poor sales copyIt could be a bad offer Sometimes its the price thats the problem. The truth is, there is simply no way of knowing how any Clickbank offer will convert until it is too lateand youve already thrown away hundreds of dollars on an Adwords campaignOr weeks of your time pushing your review site to Page 1 of Google. But What if You Had Some Insider Information But what if you knew the small handful of products thatfor whatever reason are quietly cranking out sales for those lucky few who have stumbled upon them? That would be some great information to know, right? Im talking about cant miss products in crazy niches that you would never think about promotingInfo-producus like How to care for your weasel (it made the list!) , model train building (lots of buyers here as well), and even a candle-making ebook!...Hows that for an underground niche? So how much would it be worth to you to know the most profitable & best-converting products on Clickbank from the get go? Well, youre in luck, because Ive compiled a complete list of 57 of these offers, and Im going to make this valuable information available to the Warrior Community for dirt cheapHeres what I mean: Okay, I Have a Confession Want to know how I found them? Okay, full disclosure: I did not test these out myself. I discovered these products on a dvd that I purchased from Trey Smith last summer (Trey is Frank Kerns aw-shucks cousin, and a genius marketer in his own right) Heres what happened: Trey took all 12,000 products listed in the Clickbank Marketplace, and uploaded them all to a ppv network called TrafficVance.com, which is a service that sends laser-targeted traffic to CPA and Clickbank offers. He then sent some paid traffic to each of these campaigns, and watched them like a hawk. The results? Only 57 out of these 12,000 offers were profitable. Thats rightOnly 57 of these 12,000+ Clickbank products made enough money to cover the cost of the paid traffic. Problem was, Trey mentioned only a handful of these 57 products by name in this videoand I dont blame him, because it cost him tens of thousands of dollars (and several months) to discover these results. In fact, he only referred to them very

quickly in this video as he scrolled down a spreadsheet of these top-secret urls . It all happened so fast on the video that it was impossible to see which offers made it to this exclusive list. I Want You To Use & Profit From This...TODAY I know that I can (and probably should) be charging much more for this insider information. I wont though. In fact, youll pay more for a Big Mac Value Meal than you will for this WSO today. I wanted to offer this at a price that everybody can take advantage ofbecause it could very easily be the key to cranking out 4-figure commission checks every other week from Clickbank . And I want to give just a little bit back to this community that has helped me go full-time online in 2010. And I want to make this investment a complete no-brainer, because information has the potential to really explode your business in 2011. Thats why Im adding a whole lot more to this package. \* 55 Clickbank product review articles that can easily be plugged into a niche review site, used to promote these products at EZine Articles, etcMany of these reviews are a perfect match for these 57 Mystery products. Oh, and by the way--Im including Master Resale Rights to these articles as well, which means that you can sell the whole bundle on Fiverr and recoup your investment right away!
