Well, Ill be honest with you, Im only charging \$1.97 for the whole nine yards, because \$6.97 puts this offer well within reach of the vast majority of people that read this offer. Its not at all expensive for even the humblest online marketers budget. I want your business relationship and I aim to earn it by over delivering on value and meeting or exceeding expectations. Id like to think Im building a decent, straight-up reputation here on Tradebits. Im not - and never will be - a snake-oil selling scumbag eager and ready to sneak out of town with your cash. So, saying that, Im offering a 60 day money back guarantee of your purchase price...I wont squirm if you seek a refund (of course its always my goal to over deliver with enough genuine value so you wont experience buyers remorse and feel the need to seek a refund). If you're serious about creating those backlinks (and you should be)and getting mass traffic, click the instant download button. If you need to justify the expense, skip going to McDonalds for lunch once this week and its paid for. PS: Take the software for a quick spin on me... And if you don't immediately feel like you've recieved at least ten times your money's worth, then send me a message thru my "contact link" and I'll promptly refund your purchase. Even better, take a full 60 days to use and benefit from this. Then like I said earlier if for any reason you're still unsatisfied, let me know and I'll still

return every penny of your purchase." P.P.S. Absentee resellers sell many digitals for less than I do, but quite often getting something for less. is accompanied by less of everything...connecting with them is less, so customer service is less, getting support for issues with the product file or download is much less. They don't charge much of anything for what they are trying to sell so why should they devote time to servicing what they don't profit on? I on the hand am not an "ABSENTEE" seller, I am just a click away (Mon - Sat) for support and product issues should they ever arise. I answer all email promptly. Why? Because I genuinely want to do business you! ;-)...Test me! Use the "CONTACT SELLER" link near the top of this page just under the ebox! Use the contact form and for "Subject"= Just Testing! I will respond with a FREE (no charge) small software treat and these few words: Leonco at your service, thank YOU for testing my Tradebit form and my credibility!
