87 MINISITE Need a Way To Create Your Own Great Looking Minisites, Sales Pages, and Video Squeeze Pages Quickly and Easily? Then I've Got The Solution For You..... From the Desk of : Craig Kaiser I've just released a brand new minisites and squeeze video templates package, designed to solve that aggravating problem of creating a great looking minisite or sales page, or video squeeze page, without all the graphic design headaches. Introducing... Template Mania! vol. 1 These minisite and squeeze video templates are designed to be easy to edit, great looking and help you get a professional looking page up and running in no time. In these times of financial uncertainty, you need an edge. Why shell out big bucks for graphic design for a minisite or a squeeze video page, when I've done the work for you already? All you need to do is easy editing and - wham! You've got a brand spanking new, great looking minisite, sales page or squeeze video page! Sounds great doesn't it? But hey, you want to know what's in this package, right? So let's dig in... Here's What You Get in This Package... Template Set #1 : 7 Template Themes (including Blanks) in 6 Colors - 42 Total Templates!. Template Set #2 : 1 Simple Template Design in 5 Colors - Total of 5 Simple Templates. Blank Header and Footers in .jpg and .png formats, for easy editing in your favorite graphics editor! Video Squeeze Templates Set #1 : 4 Themes - Free Gift, Free Membership, Free Report and Free Video - in 5 Colors - Total of 20 Video Squeeze Templates! Video Squeeze Templates Set #2 : Same as set #1, except the corner graphic displays different text - Total of 20 Video Squeeze Templates! Master Template Graphics for all the Video Squeeze Templates, in .png format - so you can add your own graphics to them - slice them as you need, to truly customize the templates for your use! PLUS - A couple of cool bonuses! (more about the bonuses later). That's 87 Stunning Templates, Plus Blank Graphics and .png Masters of the Video Squeeze Templates and a Cool Bonus Package Too! First, the minisite templates. These templates are color themed, with coordinated, matching headers and footers, color coordinated testimonial box, checkmark bullets and Add To Cart button. I've also pre-formatted the text content with a sales page format using dummy text, as you can see from the screen shot below. Here's a Screenshot of Just One of the Templates: The screenshot above shows one of the templates greatly reduced in size. Want to see some

full sized samples? This will give you a better idea of the stunning graphic quality of these templates.

Template Sample 1 Template Sample 2 Easy to Edit I've made it easy to customize these templates.

Don't want those graphic elements on those templates? Well, I've provided you with blank versions of all the minisite templates too, so you can edit the header and footer and put html text in them. Here's what I mean : This blank template version retains the nice "vapor trail" effect I used in the header graphic. The header graphic is in the background so you can put any html text there, as you can see. Easy! This blank version is like the first, but without any special graphic effect. The same easy editing applies here too.

Want to Make Your Own Custom Graphic Titles in the Header and Footer? I've made that Super Easy tool. I've included blank .jpg and .png headers and footers for all the templates, so you can pop them into your favorite graphic editing program, design a cool looking title, and save the graphic into the "images folder", (or whatever folder you've named that contains your images), and SHAZZAM!! A cool, personalized header or footer. Like so.... A blank header graphic. I popped the header into my graphic editor and whipped up a simple title. Now I've got a cool, personalized header! Here's What Others Have To Say... Testimonial Name Okay, I hear you saying : "Hey, so far looks pretty good, but what do the different graphical themes look like?". Fair question. Here are some screenshots : Sample Screen Shots of Templates Set #1 Sample Screen Shots of Templates Set #2 Nice lookin' templates, eh? This package would be a steal at the price I'm offering this for already, but... Hold On There, Partner! I've Got Even More For You! Video is an amazingly effective tool in Internet Marketing. So much so, that a lot of marketers are using video in their Squeeze Pages. So I thought, "What they need are highly professional, unique, great looking Video Squeeze Templates!" So, guess what I did? Yep..... I've Included 40, Unique, Professionally Designed Video Squeeze Page Templates Yep. 40 of 'em! There are 4 basic themes. Free Gift, Free Membership, Free Report, and Free Video. Uniquely designed, they contain a text area in which you can add unlimited text, without changing the size of the template at all. Cool. They come in 5 different color schemes. There are 2 sets of these templates, which are identical, except each set has a corner graphic that displays different text. Hey, why describe them to you, when I can just show you what they look like? (Cool idea, right?) Here's some screen shots : This template is the "Free Report" theme from set #1. Notice the corner graphic has "Free Report" and "Fill Out Form For Details". This template is the "Free Gift" theme from set #2. Notice the corner graphic has "Free Gift" and "Get Yours Right Now!". See the text area box? You can put as much text as you want there. Make your message as

long as you need to. Once you place more text there than the box can hold, a scrollbar appears, so your visitor just uses the scroll bar to scroll through the text, like they would with a web page. Nice, eh? Okay, now you've seen what I'm offering here, so I won't hold you up any longer. Bottom line : You get a bushel basket of high quality, professionally designed Minisite and Video Squeeze Templates. You also get blank headers and footers in .jpg and .png formats, and you get .png masters for all the Video Squeeze Templates. That's 87 Templates, plus everything else! Now, you know, and I know, that you'd pay a pretty penny to get templates like these designed by a professional graphics designer (these were, by the way), so I won't dwell on that subject here. We both also know that we're in a world-wide recession right now, and many people are pinching pennies in their business. We all need to pitch in and help each other out, so with that in mind..... I'm Going To Save You Some of Your Hard Earned Money! Why pay hundreds of dollars for professionally designed templates like these, when I've done all the "Dirty Work" for you? Grab this entire package for peanuts, right now! Get this huge Templates Mania! package, for a limited time, for only..... Hey, Wait A Minute!! I want to make this a real Recession Buster package. Like I said, we all need to help each other out, so I'm going to toss in some cool bonuses! How About Some More Cool Templates? Bonus #1 "6 Premium Video Skin Templates" Here's some cool, unique video skin designs. You haven't seen 'skins like these!
