Regards, Thomas Salvador. P.S. Visit salvador.tradebitfor more high quality products. Visit plr.li for more quality products with PLR P.P.S. How to use the .diz files? The .diz files are just regular text files, you can open in your favorite text editor. The extension .diz is used to enable you to put the whole product as-is in a blog tool. This way you do not need to worry, that these lists/descriptions (=not-interior Design-content) get published on your site. The blogging tool should only process .txt-files. Hence .txt is used only for publishable interior Design content, but not for internal information. It is just used to make your life easier. Buy 25 interior Design PLR articles, #18 now!
