Who Else Wants To Learn What Foods Help Stop The Pollution Of Your Body And Start Healing It? Imagine if you could just eat a food and... \* Lower High Blood Pressure \* Reduce High Cholesterol \* Control Your Diabetes \* Suppress Your Appetite \* Prevent Blood Clots \* Reduce Triglycerides \* Lower Your Risk of Heart Attack and Stroke \* Ease The Symptoms of Rheumatoid Arthritis \* Relieve Migraine Headaches \* Fight Inflammation \* Regulate Your Immune System \* Soothe Bronchial Asthma \* Combat Early Kidney Disease, and more... Why keep popping pills and wasting money on every new fad that comes along when you can simply eat these foods and be healthy the natural way? 17 Foods That Heal Healthy Healing Foods From The Bible It's true. Scientists at universities have found that certain foods referenced in the Bible...have everything we need to be healthy. And this is scientifically proven. But you have to trick your brain into telling your body when you're full so you don't overeat. That's done with potent foods that make you feel full while burning fat and tasting great. In 17 Foods That Heal - Healthy Healing Foods From The Bible, you will discover: \* Scientists at Montana State University discovered that eating three small servings per day of this tiny food dropped their "bad" cholesterol levels by 15 \* Researchers at the University of Leiden in Netherland monitored residents of one small town who ate only one ounce of this food a week. The risk of heart disease in the study group was 50 less than among those who did not eat any of this food. \* A study at Bombay Hospital's Research Center in India found that those who ate several of this food daily significantly reduced the risk of potentially deadly blood clots - even in patients who already suffered from coronary disease. \* A study at the University of Minnesota found participants with dangerously high cholesterol levels who switched to this food diet surprised everyone by decreasing their cholesterol levels from 274 to 190. \* Researchers at the University of Cincinnati discovered 60 of their subjects reported their chronic migraines were less severe and the frequency reduced by half over six weeks when they ate this. The average number of migraines dropped from two a week to two every two weeks. These studies and many more are found in 17 Bible Foods That Heal. Perhaps it's time to return to wholesome, delicious foods from the Holy Land to experience renewed health and longevity. If God's health plan was good enough for Jesus Christ, isn't it good enough for you?
