From this Brand-New EBook The Art & Science of Movie Special Effects This EBook reveals it all. In simple, plain English, the book explains the basic concepts behind these mind-blowing effects. Once you understand the concepts, you will be able to comprehend the techniques used to achieve these effects. Using simple, jargon-free language, this book introduces you to a wide variety of effects techniques, from the simple to the most complex. * Get a behind-the-scenes look at what goes on in Hollywood's Special Effects studios! * Take a look at the ingenious techniques employed to create these outrageous effects. * Learn closely-guarded secrets that are never revealed to the average human being. * Become a Special Effects Wizard!!! * Shock your friends with your amazing technical knowledge! Do you want to know what it will cost you to get this amazing wealth of information? Just \$7 Yes, for the price of a fast food dinner you will have all of this information that's usually available only to a lucky few !!! But why \$7? What's so special about that number? I'm only charging \$7 for this book, for 3 reasons. 1. \$7 puts the book within reach of the vast majority of people. It's not too expensive for even the humblest person. Even students interested in Movie Special Effects should be able to get this with their pocket money. 2. Anyone who's not serious enough to invest \$7 to learn about Movie Special Effects is probably not interested enough in the topic anyway. 3. EBooks need to be small, concise and to-the-point. It is difficult to read hundreds of pages sitting in front of a computer. So for practical reasons, it is best to keep the size small. That keeps the price small too! So if you're serious about widening your knowledge on Movie Special Effects, just click the "Buy Now" button at the top left.
