

# Tequila

[DOWNLOAD HERE](#)

For ADVANCED BEGINNERS, INTERMEDIATE, and ADVANCED INTERMEDIATE players. A two-page PDF tab for "Tequila," an early 1960s hit for The Champs and a perennial bar-band favorite. Adapted for the harmonica by Adam Gussow of Satan and Adam. "Tequila" is a Latin-flavored instrumental. In this adaptation, the harmonica plays the sax part. Technical challenges include 2 draw, 3 draw, and 10 blow bends and some tricky timing. One particular challenge is a melody line that requires harp players to move smoothly between whole step bends on the 2 and 3 draw. ADVANCED BEGINNERS will find this rapid back-and-forth movement difficult, but they will be able to master the same melody in the middle octave. Harp key: A Note: a video tutorial for this song is also available. Another Modern Blues Harmonica production (modernbluesharmonica.com)
