

# Santa's Little Helper Letter Script - Full Resale Rights

[DOWNLOAD HERE](#)

You see them all across the internet every Christmas. Sites that let you create your own special "From Santa" letters that you can print out for your children. But, with Santa's Little Helper YOU can offer this service YOURSELF!! That's right! You will get a specially designed PERL/CGI script that is easily uploaded to your own site space and lets your site visitors create, AND PRINT OUT their very own specialized "From Santa" letters!! You can offer this as a free service, or charge for it. That's 100 In YOUR CONTROL. Santa's Little Helper will not only allow you to create special customized letters to your children, but help you earn some extra cash for those gifts your child so badly wants! How? Because it comes to you with FULL RESALE RIGHTS!! This will allow you to resell the script itself for whatever dollar amount you choose earning yourself 100 profits!! It even comes with an easy installation instruction manual so you can get your script up and running in no time flat! And without paying an expensive coder to do it for you!! A One Time Payment Of Just -- NEW PRICE DROP!! -- \$30.00 And This Script Is ALL YOURS! Don't wait till the Holiday Season is OVER and you have MISSED YOUR CHANCE TO PROFIT!
