

Music Portal Script

[DOWNLOAD HERE](#)

This script will allow you to set up your own music portal! Visitors interested in music can read and post reviews on selected music or albums as well as inform others on the latest concerts. The portal comes with many features such as prominent banner spots in several banner sizes throughout the website and purchase links for music being sold. Link banners and purchase links to popular affiliates such as Amazon to create a great source of revenue!

USER FEATURES

- Account Management:
- * Add Music
- Review
