Quickly And Easily Get People TALKING About YOUR Products And Sending Visitors To Your Site With Turbo Tweet Viral Power , you offer a discount or free gift in exchange for followers tweeting about your product or service. These people tweet to their followers... ..who tweet to their followers ...who tweet to their followers ...see how viral this can get? All because youre rewarding them for spreading the word. For example, perhaps youve written a new book and you want to generate traffic to your site. Follow the quick and easy set up on Turbo Tweet Viral Power and then send out a tweet to your list, offering a bribe for tweeting about your new book. They click a link, send a tweet, and get their reward (perhaps its the first two chapters of your book, or a short video you made, or whatever you choose.) That tweet goes out to their followers. Some of those followers click the link and send a tweet to THEIR followers, who send a tweet to THEIR followers, and so forth. The better your bribe, the more viral this can become. Offer a big enough bribe and youll be ASTONISHED at the traffic you get to your website! Searches:turbo tweet viral power
