Dear Fellow Internet Marketer, Is it possible to systemize niche selection to such a degree that almost without fail, by following five simple steps, you can immediately find a hot and profitable niche? In one word: Yes! At least with my system. And Im so confident it will work for you that Im willing to offer you double your money back if it doesnt. More on that in a minute. First, lets discuss why my process for niche selection is the only one youll ever need. The Secret To Picking The Perfect Niche Theres only three factors that go into picking your perfect niche. The first factor is leverageable expertise. You may not know it, but I guarantee you possess some sort of expertise you could immediately manipulate for profit. Some people arent even aware of this until I put them through my system. I know because I go to a lot of internet marketing seminars and do a lot of coaching.
