Need an eBay tutor to help you become an eBay pro? Then you came to the right place! This eBook written by Mike Enos is designed to help you become a successful eBay seller! Mike is the real deal he has sold over \$809,689.15 worth of goods on eBay and shipped more than 14,944 packages. All from his home! He has been interviewed for radio, TV and print media. He has given multiple presentations at eBay's annual convention "eBay Live". Here are a few words from Mike... In March 2007 I started my own home business on the internet, an eBay selling business. I wanted to forever lose my 3-3/4 hour commute and be at home with my family. Becoming an eBay seller seemed like one of the best home business ideas out there. There are so many home based businesses. Some are real, but most are bogus. I kept hearing so many eBay success stories, that I decided to sell on eBay. By July 2007, I was selling more than \$25,000 each month. In November, eBay awarded me a Platinum Power Seller Certificate. While spending countless hours building my business, how I wished I had an eBay tutor or other eBay pro to go to for tips, advice, and practical help to get me up to speed. When you start a new home business, you can expect to have many unanswered eBay selling questions. That is why I have developed this eBook. It will provide you with what you need to quickly and easily start making great money. Whether you want to drop ship on eBay, find wholesale products, closeouts, liquidated, or dropshippers to dropship your products directly to your customers, you'll find all the information you need here. I have personally used wholesale dropship dropshippers to generate hundreds of thousands of dollars of sales on eBay! You can too! Would you like to build your own home based eBay business? As home business ideas go, it is extremely difficult to beat becoming an eBay pro. eBay.com has over 100 million users and is one of the most visited websites in the world. It also offers one of the most legitimate home based businesses available. My eBook contains a ton of home business hints on making huge profits from eBay. As your eBay tutor, you can count on me to keep you updated with the latest techniques to help you sell and grow your own home business on the internet.
