Here is an excerpt from the audio Introduction: Terry Telford interviews with Marc Gamble who is a
business development consultant both on and offline. Hes helped approximately 250 businesses over the
last ten years to increase their profit margins and increase their results in marketing efforts. Marcs time
constraints, being one man with only 24 hours in a day, led him to create an extremely powerful course
called Monopolize Your Marketplace. Were going to talk to Marc about his course a little bit, but for the
most part, were going to pick his brain about how we can take advantage of putting together a marketing
package thats going to make us a leader within whatever industry were in. === FREE BONUS - Plus
