

Clickbank Thank You Page Script

A fully automated Download System for ClickBank Merchants Dear fellow marketer, I spent nearly a week developing this Perl Script exclusively for ClickBank Merchants. I would like to sell this Software with Source Code. When you buy this Script, you get Master Resale Rights. That means, you own the copyright and you can sell the master resale rights, resale rights, or whatever you like. You can customize it, brand it, and anything else you want to do. This Script is a Fully Automated 'Thank-You Page Script' which is much more powerful than a Static HTML Page. See what this Script can do for you: Stop thieves by verifying whether your buyer is forwarded from ClickBank after payment. Display Order Details including the ClickBank Receipt # Thank-You page. Collect the Name & Email address of your buyer. Send You a Sales Report Instantly. Send Your Customer a Thank-You message without delay. Add the buyer to your AutoResponder System, so that follow-up emails will be sent to promote your other products. And you can easily customize the script with a text editor. Your automated Thank-You Page Script will handle everything for you.
