Lets do a quick potential earnings you can do with with 155 optimized AdSense ready websites... If each website earns you about \$30/month (that is, if every website is generating the minimum \$1 each day). Multiply this to 155 websites and you got \$4650/month, and this is a very minimal calculate of your potential earnings. Did I leave anything out? Is there anything left? You can use some of these web sites, or all of them. You don't have to have a different domain for each of them, there's no need. Simply create the appropriate directories and upload each web site into it's own directory. If you have related products, you can add them in, or have someone add them in for you. This complete package comes with 155 AdSense Optimized Web Sites, a simple read-me file to show you how to use the 'Replacer' tool, PPC
