eWriter PRO with Master Resell Rights Reseller Files Included! "Now You Can Easily Create Highly Profitable Professional Looking PDF Ebooks Without Paying Hundreds Of Dollars For Complicated Software And Without Fiddling Around With Clunky Word Processors!..." "This Killer Tool Has Everything Including A Built-In Word Processor And PDF-Converter To Make Creating Your eBooks A Breeze!" I have created a software package that allows people to create, edit and distribute their own ebooks and articles. You may say Jim, there is already FREE software out there that does this. After reading many forums and people asking how to create hyperlinks or pdfs I decided to create my own software that makes it easier than ever to make that money making content we all dream of. Not only can you create your own content but you will have everything organized by grouping your content in niche categories. A brief introduction to E-Writer Pro Now you can easily create, edit and distribute your own ebooks and articles. Here is what E-Writer Pro will let you do easily and effectively. *Have everything you need in one software application. *Generate PDFs with security options. *Save security features used to generate PDFs. *Create your own beautiful looking books or articles. *Save books or articles in Word, RTF, Text or HTML. *Open Word, RTF, Text and HTML for editing. *Hyperlinks can be added making your Books and Articles even more viral. *Complete Powerful word processor. *Allow the reminder system to keep you informed when a special task needs to be accomplished. *Backup all Books, Articles, and Reminders all with one button click. *Categorize all your ebooks and articles into niches and sub-niches. You can use this software tool to build your business virally. One Article can make you thousands of dollars every year. One Good E-book can make you a small fortune and in that E-book can be easily filled with your own links back to other products you are selling or to affiliate products you promote. "Use E-Writer Pro to Edit And Publish All Those PLR Books And Reports Collecting Dust On Your Hard Drive!" Think about the possibilities E-Writer Pro can give you. You have all those Private Label Rights books and articles just sitting there on you Hard Drive Collecting Virtual Dust. Why not use E-Writer Pro to edit that book or article? You can open your project and work on it till you get tired or run into writers block then just save it and come back and finish it when your ready. No More opening several programs to do your work. Open

E-Writer Pro pull up the book or article and Bam, your ready to continue working.
