If you are looking for an easy to install and easy to use program to handle all of your mailing requirements then look no further. Mailing List Manager will suit your needs. Whether you're starting a new online business or have been in business for years, if you're not following up with your prospects, or if you're paying monthly fees for email follow-up, you may be flushing your advertising dollars and your profits, down the drain. It's a fact that the majority of people typically don't buy (or take a desired action) as a result of an initial marketing contact, even if they are perfectly targeted for the offer. According to a recent research study, 81 of major sales are closed after the 5th contact. Consistent follow-up is crucial to closing the sale. Automate your email campaigns and convert your leads into sales with Mailing List Manager Robust and feature packed, Mailing List Manager is an affordable, easy-to-use software application that installs on your web site. It delivers instant information to your customers, prospects or visitors. Mailing List Manager: is safe and easy to use; costs just pennies to roll out; lowers your operating costs significantly; and increases your profits dramatically! Here are some of its powerful features: Mail Manager Pro is a web-based php/mysql program that offers you unique ability to fully manage your mailing list and newsletters.
