Grab Your Visitors By The Eyeballs, Explode Your Profits, And Practically Force Your Prospects To See Your Message With The Latest Profit Producing Technology ... "Impact" PopUps! We'll show you exactly how to do it in just a few simple steps - even if you don't know a single line of HTML code! In today's fast-paced world, you have to make an impact fast! You only have a few seconds to grab your visitors attention, or you risk losing them forever. You need to control what your visitors see first, and without a doubt, the most effective way to do that is using popups. But, there's a problem. According to a recent study, it is estimated that 86 of the visitors to your website have at least one pop-up blocker installed. And to make matters worse, most of the major Internet service providers, and almost every new web browser being released are including popup blockers too! Were you one of the millions of marketers forced, against your will, to abandon one of your most effective advertising methods? It's time to fight back, and we're going to show you how to do it. What if I could show you a way to capture your visitors attention, force them to read your most important message, and do it with just a few simple clicks? Would that interest you? It's no secret that popups are effective, but traditional popups only work if your visitor doesn't have a popup blocker installed. Most popup blocker technology works the same way. Almost all popup blockers look for any code that creates a new window, and then closes that window before it even has a chance to open. This seemingly harmless technology is blocking more than just a popup, it's killing your profits! "Impact PopUp" Uses Specialized Technology That Is Smart Enough To Get Around Those Pesky Popup Blockers! What you need to create effective popups is a something new. Something that is just as effective as a traditional popup, but smart enough to not fall prey to popup blocking technology. That is exactly what "Impact PopUp" does! You see, this new method of creating dazzling popups doesn't create a new window of any kind. In fact, it's actually part of your web page itself! Using "Impact PopUps" you can rest assured that your message will show up when you want it and create the impression you so desperately desire. Impact PopUps bypasses the popup blockers and will give you the peace of mind in knowing that your messages will be seen. Master Resell Rights! Bonus : RAMBLAST.zip
