If you own a Cat, a Dog or any other type of animal... Heres A Quick And Easy Way To Keep Track Of All Your Pets Important Medical And Treatment Records Special bonus ... includes special manuals packed with recipes for over 200 cat and dog treats ... plus full Master Resale Rights so you can sell all this yourself and keep all the money! Dear Friend, Theres a lot to think about as a responsible pet owner and its all too easy to lose track of important things. Its so easy to forget vaccinations and worming, which can have potentially disastrous consequences for our little furry friends. Equally important, but very easy to overlook is regular flea control. Anyone whos had a runaway flea infestation in their home will tell you that its something theyd never want to experience again. Pet Medical Recorder is a simple to use software tool which will generate a set of special forms to allow you to keep track of all your pets medical and treatment information. It will keep records of vaccinations, worming and flea control, so you can see at a glance when the treatment needs repeating. It will also record details of any medicines that your pet needs to take, general medical history, vet contact details, immunizations and health insurance details. Pet Medical Recorder can be used to generate forms to keep tabs on as many animals as you want, all with just a few button clicks. Now you can keep on top of your pets medication and treatment the easy way with your copy of Pet Medical Recorder. Full Master Resale Rights Included Free! Your copy of Pet Medical Recorder comes complete with Master Resale Rights. This means you can sell it yourself and keep all the money. Just make one sale to recover your investment. Ill even give you a copy of this ready-made sales page to make it really easy for you. You can also add it as a bonus to other items you sell if you wish, or include it in packages and membership sites. All This At A Very Special Price This special software allows you to easily keep track of all your pets medical and treatment records. Consider the potential cost in vets fees and heartache that could result from missing a treatment and Im sure youll agree that this software is a real bargain at just \$9.97! Remember that this price includes Full Master Resale Rights. And of course, dont forget the great pet treat ebooks on top. Despite the amazingly low price of this package, I know you may still have a few lingering doubts as to whether Pet Medical Recorder is right for you. Thats why Im offering my 30-day, no risk, 100 money back guarantee. If at any

time within the next 30 days, you decide that Pet Medical Recorder isn't right for you, just send me a quick email and I guarantee to refund your money in full, no questions asked. I cannot promise how long I will continue offering this at such a stupidly low price. The price could go up at any time without notice, so please order now to avoid disappointment
