You can be marketing like a pro on Twitter in a matter of minutes from now. Shortcut Straight To The Twitter Techniques That Are ESSENTIAL To You As An Internet Marketer, And Leave Out All The Padding And Fluff! Dear friend What do you think limits your online profit more than anything? Sure there could be a dozen reasons but as a professional internet marketer I can tell you what one of the main leeches on my time is..... Actually it's two things LACK OF KNOWLEDGE and LEARNING CURVE. I know what it's like - You see services, products and software that you KNOW will benefit your business but it's impossible for you to use them unless you know what you're doing with them. Why not simply outsource these tasks? Well you could, but here's a key point missed by MANY marketers - in fact many fulltime pros don't even recognize this... TO BE ABLE TO OUTSOURCE EFFECTIVELY YOU NEED TO UNDERSTAND THE FULL POTENTIAL OF THE SERVICE OR SOFTWARE USED IN THE PROCESS! How would you instruct a freelancer without knowing about the nuts and bolts of Twitter..... the etiquette, the capabilities of the software and the possible pitfalls? It just wouldn't work. But on the other hand, learning all these things takes times, and if you're a pro marketer time is money - cliché but true. If you're not yet fulltime you're probably struggling to find time to work on your business anyway, with your job, family, the shopping, paying the bills, washing the car, and all the other things that make up our day to day lives, let alone learn essential new techniques. But some things are pretty important for your business. And if you're not yet using Twitter as a marketing tool then - let's speak plainly - you're falling behind the competition. Well I can help, by showing you ONLY the things you need to know about Twitter as an internet marketer. The rest you simply don't need. Introducing..... In this simple but deadly effective shortcut guide, you'll discover.. Exactly what Twitter is Why Twitter is an deadly effective marketing tool How to sign up, use and 'tweak' Twitter as an internet marketer. Which aspects of Twitter are VITAL and which ones are time consuming and energy sapping Twitter etiquette The truth about getting Followers Providing value (which sells) How to write killer tweets The best Twitter plugins (and the essential marketing ones!) Twitter tool secrets Twitter Services secrets Ways to make money using Twitter and much much more..... Time is your enemy in online business. The learning curve can be steep. Let's face

it - what's the point of knowing every little detail about Twitter if your business is going under through lack of time devoted to it? Your time is MONEY You cannot waste it learning every aspect of every service and product. But you NEED Twitter as a marketing tool. So what do you do? Grab yourself a copy of 'Twitter Boom' and let us cut through the fluff and show you EXACTLY and ONLY the things you need to know about Twitter, from an internet marketers point of view Best Wishes YOURNAME PS Twitter is part of the future when it comes to communication between online users - short, informative and to the point.
