What's a girl to do when she's gay, abused by her father, and has a strange and somewhat weird fetish? Well, if you're Mellisa Michals, you sit down and write a book. This is the story of a poor girl who only wanted her parents to love her, but her father took great delight in beating her and mentally abusing her. Her mother really was not interested in her, so, she ignored the pain and suffering this poor girl endured. But somewhere along the way she met another girl, Tia, and she thinks right away that she's totally out of her league; she's rich and probably straight anyway. But even so, this young, spunky girl went over to talk to this rich b**** (as Mellisa always called her) and the rest is history. In And You Thought Your Girlfriend Was Nuts!: The Mells/Tia Story, you'll laugh, you'll cry, you may be shocked by the girls' antics. The story includes their wedding day, their lovemaking, and their sense of humor, and of course there's their little fetish, what is it?
