

Bregaglia Climbing: Albigna - Chris Mellor

[DOWNLOAD HERE](#)

This printable 100-page guide to the fantastic climbing in Switzerland's Albigna valley, one half of the granite Bregaglia region, is available as an e-book. There are dozens of illustrations, generally black and white but several in colour. Over fifty climbs are listed, with many topos and photo-diagrams. Each peak has its own sketch map and there is a valley map showing where the peaks and climbing grounds are. Full access details are given together with campsites, hut contact details and travel suggestions. There is no better guide to the terrific rock climbing in this part of the Bregaglia.
