

The Revelation Of John - Apocalypse

[DOWNLOAD HERE](#)

The Revelation Of John - Apocalypse The Book of Revelation is the last in the collection of documents which constitute the New Testament of the Bible. It is also known the Apocalypse. These titles come from the Greek word apokalupsis, meaning unveiling or revelation. The Book of Revelation is the only apocalyptic document in the New Testament canon, though there are short apocalyptic passages in various places in the Gospels, Daniel for example, and the Epistles. Revelation brings together the worlds of heaven, earth, and hell in a final battle between good and evil. Its figures and images are both, symbolic and real, spiritual and material. Revelations enigmatic nature makes the book a source of discussion between disciples who try to interpret its meaning and its message. Nevertheless, it has not only survived, but caught the imagination of generations of Bible students and readers alike, especially with the date of 2012 ahead. This ebook is also very nice illustrated.
