Imagine! There IS A Way to Have More Satisfied, Repeat Customers Who Keep Coming Back for More Without Selling Your Soul to the Devil! Keep Reading to Find Out How to Sell More to Your Visitors The First Time They Visit! Like always, Im going to cut to the chase and get right into the details of this course... The course is all about copywriting and teaches business owners how to write sales copy in a way that actually appeals to their market, and convinces them to buy without being pushy. This PLR package comes with: * Copywriting Success Guide * Copywriting Software * 21 Common Copy Mistakes Report * 66-page detailed and illustrated software guide * 4 templates (sales letter, squeeze page, survey page, thank-you page) * A ready-to-sell sales letter to sell the course from * A ready-to-go squeeze page to build a list * 29 autoresponder email messages to follow-up with subscribers * Graphics to represent the course * PSD versions of graphics for easy editing Here is a break down of what you get with this complete PLR Package: 1. Copywriting Success Guide This step-by-step guide will take your customers through important terminology, how to make the most of their copy and practical exercises to apply to their existing or brand-new website. Heres what theyll learn in this straight-to-the point 33-page copywriting guide: * Why learning copywriting will put you way ahead most of your competitors * Why your target market might not be what you think it is and how you can use that information to make more sales * Finally understanding what is unique about your business and sets you apart from your competitors * Why the features of your product are extremely important, but arent likely what will sell your product best * The secret to writing effective bullet points that will make your potential customers eager to buy your product on the spot * How to craft headlines that will keep your website visitor and your website and hungry to learn more * Another kind of headline that will keep people reading all the way to your order link * The important ingredients you need to include for highly-effective and believable testimonials * The one thing that must be on every page of your website, but most website owners completely miss * Tips to speaking directly to and truly connecting with your audience * Why grammar isnt all that your high-school English teacher cracked it up to be * How to set up your website for more sales * Getting more of your visitors to buy now, instead of putting it off until later (and likely forgetting about you

completely)
