ATTENTION: Do you hate paying for traffic? Then this is for you If You Can Record A Simple Video, Then I Can Show You Video Marketing Strategies That Explodes Your Subscriber List Makes You Sales And Helps You Conquer Your Market Even If You Have NO Product, NO Experience, And NO Technical Know-How! And Even If You Think Online Video Cannot Help You Dominate Niche Markets, You Will Still Discover How To Leverage It So You will Never Have To Worry About Paying For Traffic Again Dear Friend, If you have been online for any period of time, then I am sure youve heard about the power of online videos in marketing. Recently, the number of internet users has climbed to 1,581,571,589 people. And out of these people, 146 million of them are watching online videos, tuning in to at least 273.1 minutes a month. Moreover, the number of videos viewed has increased to an amazing 12.7 billion videos. That means, more people online are spending more time watching videos. Dont you want to take advantage of that trend? Now, you are probably confused about how online videos can be practically applied to create real marketing results. There are many ways But one of the most useful benefit of using online videos, is to DRIVE TRAFFIC! A Proven Method To Drive Traffic For Free In Just Minutes! Google loves online videos. You can choose the most competitive field in your market place, type the keywords on Google, and chances are, a video will appear on the first page. Now before you go out to shoot a video and submit them on video directories, there is something else you should know. Nothing will happen if no one watches your videos. You can get a high amount of people clicking to view your videos, but if they dont watch it till the end, its useless. Used correctly, your online videos can become a selling platform all by itself. In fact, it works better than sales copy because its multimedia. People engage to online video better than the printed text on a page. And the best part is Not only can you receive loads of traffic to your site, you can get paid per view every time a visitor watches your video. Google has made head way in its contextual advertising program and you can use this to establish a second revenue stream. Introducing Instant Video Marketing Secrets Instant Video Marketing Secrets Before you continue, you must understand * This product is NOT about illegal, black hat tactics that will get you in trouble * This product is NOT going to cost you a single penny more to use * This product is NOT

outdated, rehashed information that no longer works * This product is NOT a temporary fix that works only for a few months * This product is NOT for lazy people who don't care if they made money Instant Video Marketing Secrets is a set of tools and strategies to get people to view your videos from the beginning until the end and then take action! Here is Why Its Right For You: While its easy to create a video and submit it to online video directories, you don't get any traffic until they watch your video and follow instructions to go to your website. And if your video is not seen, you don't get the viral effect responsible for getting your message across the web. If you use the techniques in this book, and use it together with your video marketing - You never have to touch PPC and banner advertising again because they cost money and it takes time (and lots of funds) to master properly. Plus, you have a better chance appearing on the first page of Google than PPC for no cash. - You never have to spend TIME and ENERGY writing article to drive traffic. All you need to do is look at the camera, talk for 5 minutes, and upload it to the web. Did I mention that you can also outsource this? - You never have to do copywriting again. Make a video and use it as a selling platform. Sell on the screen like you would face-to-face and watch your conversion rates skyrocket. Just set the equipment, shoot the video , and save. Here is A Sneak Preview Of What You will Get: - 14 ways to get higher viewership and accelerate the viral effect of your videos - How to get your audience to immediately jump up, get off their duff and watch your videos like a hypnotized kid watching TV commercials - How to make your viewers share, syndicate, spread your videos across the web. - Tell them _____ and theyll watch every second of your video and bookmark it for later viewing again. - 3 magic words to get the busiest web surfer to watch your video. - Use this strategy and stand out from 98.2 percent of video makers. - Reveal certain information about your video that always gets attention and interest. - 66 hooks and angles you can use to persuade people to view your videos - 3 ways to add scarcity to your videos. - How to use the power of the crowds in your favor it makes your video more popular and pushes it beyond its viral tipping point. - Why using ethical bribes incorrectly in your video can backfire at you - A neat trick to hook your audience into watching your video every single time. This trick never fails to get tons of eyeballs glued to my videos at any one time. - Immediately make your audience pay attention to you by uttering a few secret words. - How to remove the No. 1 barrier of low viewership... Some people are reluctant to watch your videos even if you have to pay them for it. Eliminate this and you will create a slippery slope to your sales process. - Discover this old infomercial trick to get people to watch the entire video in a single seating - Find out how CNN uses

the Ziergarnik Effect to keep you edging on your seat even if it means watching all the commercials. - And much, much more
