PROTECT YOUR PAYPAL AND DOMAIN FROM HACKERS! BONUS 35 PERL SCRIPTS AND MORE!

This is a great business you can start and you have resell rights to this ebook. You can sell this on auction sites or to website owners and keep 100 of the profits. You can make a killing! This information is really good for anyone that has a website or use PayPal. Defend your PayPal against Hackers! If you have a membership site or sell ebooks or software online by direct download then you could be losing hundreds of dollars worth of sales. Perhaps you have noticed that your ebooks have been downloaded more times than you have received payment for? This e-book will put an end to that. Inside you will find three free solutions to protect your PayPal, search engine rankings and images from being stolen by thieves. Plus as an added bonus we have included, an online auction script written in PERL so you can have your own Ebay, 35 PERL scripts to aid in the complete functioning of your web site, from redirects to contact and database management. Also included is an Active Desktop Wizard, an Active Channel Wizard, a Form Maker Wizard and a Meta Tags Wizard. These tools will enable you to get more web site traffic and keep it coming back. You are granted resell rights for this product. This e-book contains valuable information as to how to protect your source code from being read. This will prevent others from by passing your PayPal links that give to your ebooks or membership sites. Protecting your source code is also a good idea to protect your search engine rankings. There is nothing worse then someone using your key words to beat you in the rankings. As an added bonus we have included several scripts that will be useful to you. One of which is a perl script that will turn your website into an Ebay type auction site!
