Download Shop is the best and easiest to use out-of-the-box eBook store turnkey webscript on the market, designed for ease of use for both the owner and customers. Everything can be configured through an easy to use web-based Store Admin area. It's an instant business! You can start selling as soon as you've installed the website! The website is totally automated and customers get instant access to their downloads straight after they make their purchase. No more having to send files by email to your customers. This website script does it all for you, 24 hours a day! What makes this website really cool is the fact that it comes fully stocked and ready to do business with 50 preinstalled downloads, including ebooks, reports and software. Google AdSense is built in, so you can earn revenue through Google's advertising programme. Simply enter your Google AdSense ID into the Admin and you're away! Website Features: Comes pre-installed with 50 bestselling digital products to get you started. Manage your store online via your own easy to use web-based Store Admin Area. Easily add your own ebooks and downloadable products, complete with pictures, descriptions and prices. Easily change the prices and edit product descriptions to your own taste. Ready to accept online credit card orders with popular payment methods such as PayPal and Nochex. Totally automated checkout system! Customers get an instant download of their purchase straight after payment. The purchase can only be downloaded once, so the customer can't pass the download link around to friends. No need to add PayPal buttons. Simply enter your PayPal email address in your Admin. That's it! Keeps an easy to manage record of all customers and orders online. Easily view products purchased and monthly sales reports. Works with UK Pounds, US Dollars, Euros, Australian Dollars or Canadian Dollars. Create unlimited categories and subcategories. Automated built-in links page where other websites can exchange links with you. Easily send newsletters to all your customers with your own built-in Newsletter Manager. Readily search engine optimized to help your website rank in

the search engines. Add your own keywords and meta tags through your Admin to help your search engine ranking. Built-in Google AdSense. Simply enter your Google AdSense ID in Admin and start earning extra cash. Displays random featured products every time the front page is visited. Text and colours and are completely customizable. Editable About Us and FAQ pages that can be customized in Admin. Editable prefilled Terms And Conditions and Privacy pages. Includes simple instructions in PLAIN ENGLISH on every Admin page. Includes an easy to understand PDF installation manual. Plus many more features! ACT NOW and receive these bonus products FREE: Free Bonus #1: Choosing The Right Web Host by Mikey J. If you are new to web hosting or are confused by all the technical jargon that web hosting companies spew out, then this informative e-manual will help you understand all the confusing factors around choosing the right web host for you. The eBook also explains how to accept credit cards online, how to register a domain name, plus much more! Free Bonus #2: Simple Guide To FTP by Mikey J. This helpful e-manual is an excellent guide to using an FTP programme and provides lots of hints, tips, step-by-step instructions and screenshots to help you upload files to your web server. An excellent resource for those of you who are new to uploading website scripts. Web Hosting Requirements: To operate this website, you will need UNIX/Linux web hosting with PHP 4 or 5. It is RECOMMENDED that your web server has a CPanel Control Panel with PHPMyAdmin and My SQL database. It is NOT guaranteed to work properly on web hosting that DOESN'T have CPanel. To install this website, you should have a basic knowledge of file uploading. If you haven't got a domain name or web hosting, there are recommended web hosting and domain companies in the PDF installation manual that comes with this website script. We like to make it easy for you! :) This product comes with FREE MASTER RESELL RIGHTS! You are allowed to sell copies of this product to your customers and keep ALL the money you make from it! You will also receive a readymade HTML sales page to use on eBay or on your website to resell this product! With Master Resell Rights, you can ALSO give resell rights to your buyers!
