You've purchased this product with full Master Resale and Redistribution Rights. More The Best Products with PLR or MRR at lucky7.tradebit.com Television Skin Notes In the .psd file for the Television Skin, I used the Chrome effect from the Eye Candy 4000 Plugin to produce the inset frame around the "picture tube". If you have this plugin, you can edit the effect, but I highly recommend you only change the lighting parameters, but leave all other parameters as they are, as this gives the nice "inset moulding" look.
