CAN YOU EVEN IMAGINE GETTING UNLIMITED TRAFFIC FROM YAHOO NOT ONLY WITH THEIR FULL BLESSING, BUT ALSO WITH THEIR ASSISTANCE? Extremely Limited - Auto.Yahoo Posting and Submission Software! New Software Has EXPLODED Web Site Traffic Generation! This Cutting-Edge Explosive New Software will enable you to cut the time ad posting takes to mere seconds! 100 fully automated, with the exception of captcha verifcation image codes (but we have even made that part super fast and easy)! As with all of our software, this unique program does everything you can normally do manually, Only FASTER!-- Much Much Faster! *Make sure you check out the extensive video tutorial built right into the software!* YOU CAN OF COURSE SAVE MULTIPLE ADS & POST THEM ALL SIMULTANEOUSLY And/Or RANDOMLY! Did You Know That Auto.Yahoo & CraigsListGenius Combined Would Throw You Into A High Quality Traffic Spiral That Few Marketers On The Planet Can Even Fathom? *This is not a spam tool.* I do not create spam tools, I do not use spam tools, and I do not like spam tools. I create valid marketing software that I personally use to generate additional traffic to my sites using creative methods. This means that I use automation, but I do not abuse any company or individuals services by becoming a burden on their system. Anyone interested in using this tool or any of my other software in any manner that would overload the YahooTM website, or other site or service is strictly prohibited from using this or any of my other software. Reasonable and rational adults should use enough self restraint to be respectful of the people who make our marketing efforts so fruitful. Additional information can be found in our Terms & Conditions. I do consider this a Secret Software Program because I am very careful as to how many copies I allow out. If the order link on the bottom of this page is inactive/disabled, then just signup for my 'A-List' and you will be notified the next time I list it (if it is listed again).
