

# Historical Caravans And Motor Homes - The Technique In Detail - Patent Document Collection

[DOWNLOAD HERE](#)

Patent document collection "Historical caravans and motor homes - the technique in detail" 82 patents - together approximately 541 pages of paper (if printed) From national and international patent databases. Patent documents about 2/3 in the German language, the rest in English and French. Description of content: The technology compendium for all fans and lovers of historic caravans and motorhomes of all kinds is a unique documentation of many decades of technological history. In this extensive patent collection you will find dozens of different developments for housing on the road. The patents begin at the beginning of the 40s and reach into the 70s. You will receive comprehensive technical descriptions and detailed drawings of caravans, folding & Faltcaravans, roof tents, car beds, complete vehicle extensions and much more. And all this at over 500 pages! Extremely valuable and useful material both for collectors, as well as for historians, vintage Clubs & Societies, or just for fans of historical caravans and the like. Also for restoration and technology experts, the construction drawings interesting when it comes to the precise structure or function of assemblies and to understand the mounting position of parts to identify. Each document is structured so that the invention in text and drawings more closely described and displayed. This enables you to understand design and function of the invention in all details! All patent documents in PDF format. The PDF files can easily be read on screen or can be in any desired print size. The possible use of brand names in this offer is only item description and the unique assignment of the product. The product is not directly linked with the brand owners or their representatives.
